**Metonic Real Estate Solutions Expands Holdings to
Lincoln, NE with another Multifamily Acquisition**

LINCOLN, Neb. (11/20/2014) – Metonic Real Estate Solutions, on behalf of investors, has purchased Fieldstone Apartments, a multifamily property located in Lincoln, Neb. The sale closed on November 20, 2014.

This will be the first acquisition in Lincoln, for investors who already maintain properties in Texas, Nebraska, Missouri and Indiana.

“We are excited to expand our presence in Lincoln, and look forward to providing an exceptional living experience for our residents.” said Jon Pesce, Principal of Metonic Real Estate Solutions. “The Fieldstone apartment community offers convenient access to major employers and the University of Nebraska.”

Seldin Company assumed management responsibilities at closing and listed the complex on its website immediately. The smooth transition was attributed to effective communication between Metonic and Seldin prior to closing.

Fieldstone is a 70-unit apartment community built in 2009 with 75,872 square feet of well-maintained buildings. The 16 buildings consist of two and three bedroom apartments between 1,000 and 1,100 square feet each. Amenities include a community room, playground and courtyard. The property sits one block off of 27th and Superior street with convenient access to Interstate 80, University of Nebraska, downtown and the airport.
