Open House Event to Celebrate Clubhouse Opening at Ravello 192 Development

First-of-its-kind community offers upscale, townhome-style living

OMAHA, NE - Metonic Real Estate Solutions will mark the grand opening of its Ravello 192 clubhouse and leasing office, located at 192nd & Pacific Streets, with an Open House event at 4:00pm on November 15, 2018. The West Omaha Chamber will be present for the ceremony at the property clubhouse, and all media is invited for a sneak peek of the property.

Ravello 192 will fulfill an unmet need for a distinctive townhome community in West Omaha. The development is a new-to-market concept in multifamily living, with customization options and long-term leases available. Residents will experience the quality of a well-appointed townhome without the stress of ownership. This new development will feature high-end amenities like fiber internet, a heated saltwater swimming pool, quartz countertops, tiled showers, and private garages.

Dicon Corporation is the general contractor for the development, with Great Western Bank providing construction financing. Seldin Company is providing lease-up and property management services, and Blackman & Associates is contributing consulting and accounting services. Construction is underway, with pre-leasing available now.

Visit the website for a comprehensive look at the property with images, video, descriptions, on-line reservations and more. www.ravello192.com
